From The Deputy Accountant General
and Superintendent of Stamps

To The Secretary to the Chief Commissioner
General Department

Sir,

I have the honor to acknowledge receipt of your Endorsement No. 6326/927 of this date with the Orders of the Government of India Financial Department No. 894 dated 7th instant, and to report that I have this day received from the Superintendent of Stamps at Madras a supply of Madras Court Fees Stamp-Labels as per accompanying copy of his letter No. 212 dated 13th instant. The labels have the word "Mysore" printed across, in view to their being used in Mysore as now authorized by Government, in supersession of the Special Mysore Labels which were printed at Madras.

2 In order that these new labels may be introduced from 1st March 1874, I beg to submit a draft Notification which if approved by the Chief Commissioner may be published in a Gazette extraordinary.

3 I solicit the Chief Commissioner's permission to request the Accountant General of Madras to have the

The Acts and Rules of the superseded Mysore Court Fee Labels destroyed in the presence of a responsible Officer-

4 On the point referred to in the 2 last paras of the Government letter, namely, the greater liability to fraud in the use of labels, I beg to observe that the objection is apparently a general one and not specially applicable to Mysore Court Fee Labels with reference to the frauds supposed to have been committed recently at the Accountant General's Office Madras. The convenience to the public of affixing a label to a document previously written, instead of having to write every document on an impressed paper, is the strong point in favor of the label system; and as we have had no instance of a fraud being attempted in Mysore with reference to such labels, due arrangements having been made for their custody and sale and cancellation, I would suggest that the Government of India Labels marked "Mysore" may be used until the general question of reverting to the use of impressed paper is determined by the Supreme Government-
